BLET 6 ~ *Precision Scheduled Railroading* ~ TE&Y SURVEY

BLET Division 6: Your voice matters. Please participate in this field report.

OBJECTIVE: create a report to send to politicians and people in positions of power.

Potential recipients include (not limited to):

President Joe Biden

Pete Buttigieg, Secretary of Transportation

Amit Bose, Acting Administrator, Federal Railroad Administration

Marty Walsh, Secretary of Labor

Peter DeFazio (D. Oregon) Chair of House Transportation Committee

Maria Cantwell (D WA) Chair, Senate Committee on Commerce, Science, and Transportation

Iowa Senators: Charles Grassley and Joni Ernst; Iowa Governor Kim Reynolds

Iowa Senate Transportation Members	Iowa House Transportation Committee Members
Tim Kapucian (R District 38) Chair	Brian Best (R District 12) Chair
Waylon Brown (R District 26) Vice Chair	David Maxwell (R District 76) Vice Chair

Why? Every day you do the impossible. We don't have satellites, back-office servers, or EMS programs to turn off and on. What do we have? Lived reality.   Let's tell politicians what is happening under PSR with train length, safety, technology, & maintenance, etc.

Printed Name: _____   Years of Service: _____

_____ * use my name.   _____* I wish to remain anonymous_____ * use my initials

Signature_____Date_____

Email_____ phone_____ (in case of questions)

Instructions: Just write your truth. Write clearly. Use reverse and/or add pages.

Then: I will compile, edit, and ready this field report for printing/mailing.
